

Maple Bear Astana Kindergarten

The best of
Canadian education
for a global future.

MapleBear
Canadian School

"Maple Bear students will be equipped with the knowledge and skills to be successful in their own lives and make a difference in the lives of others. "

Rodney Briggs

Maple Bear Global Schools Founder and Chairman

Maple Bear was founded on the premise of bringing the best of Canadian education for a global future to its students.

Our curriculum is focused on preparing our students to be global citizens in an environment that is constantly changing. To achieve this, we focus on 21st-century skills, such as critical thinking, problem-solving, creativity, and collaboration, for which Canadian education consistently ranks the highest in the world.

The Maple Bear methodology develops curiosity, imagination, and discovery through experimentation, sparking a true passion for lifelong learning. Our students will be equipped with the knowledge and skills to be successful in their own lives and make a difference in the lives of others. Never before has there been a greater need for our future leaders to have empathy and to be able to work collaboratively on major issues like climate change. I am confident that Maple Bear students will be able to meet the challenge of an ever-evolving global world.

For those who are already part of the Maple Bear family, my sincere thanks for all of your hard work to deliver the best of Canadian education for a global future. For those thinking about becoming part of Maple Bear, I invite you to join our family and make a difference in the future of our planet.

Rodney Briggs

Maple Bear Global Schools Founder and Chairman

A young girl with long dark hair, wearing a red polo shirt with the MapleBear logo, is focused on pouring colorful beads from a clear plastic jar into a blue mold. The background is a bright, blurred indoor setting. The text "Giving children the right foundation to thrive" is overlaid in white on the left side of the image.

Why Canadian Education?

Canada's education system consistently ranks among **the best in the world** in the Programme for International Student Assessment (PISA).

Canada is also a **world leader in bilingual education**, and an **inclusive, multicultural country**. All essential aspects for the education of the leaders of the future.

Maple Bear has one of the best pedagogical models in the world.

- The Maple Bear curriculum is written by our team of Canadian educational experts who deliver annual teacher training at each school.
- Canadian teaching strategies encourage student independence, strong literacy skills and higher level thinking.
- We use observation, problem-solving, and decision-making as our methodology in all subjects. We also offer large, stimulating, and nurturing classrooms for our students.

**Creating
confident and
creative learners**

"We are impressed by the skills of the Maple Bear teachers to maintain the curiosity, interest, and joy of learning in our child. It has been great to see how they work with his individual learning style to share knowledge, kindness, and love for learning"

Maple Bear Bulgaria Parent

Kindergarten curriculum

The Maple Bear preschool program is designed to educate the whole child – physically, intellectually, emotionally, and socially.

The eight developmental areas are fundamental to our early childhood curriculum and are addressed every day through careful planning by teachers trained in Canadian methodology.

Integration of subjects in thematic ways stimulates creativity and self-expression at each stage of the program, with the focal goal being the development of positive self-image within the early years student and encouraging children to see themselves as capable and competent learners.

The Maple Bear 8 areas of development

- Language and Early Literacy
- Cognitive Development
- Gross motor skills
- Fine motor skills
- Social and emotional development
- Arts and Creativity
- Music and movement
- Dramatic Play

Kindergarten curriculum

Giving children an environment that is both nurturing and challenging is the key to supporting early years development and growth. At our kindergarten program, we offer a nurturing and challenging environment for your child's early years education. Our curriculum focuses on play-based learning, creativity, problem-solving, and social development.

Our experienced teachers are dedicated to providing innovative experiences for learning within the preschool facilities and resources to support your child's learning journey. We aim to prepare your child for the future by offering a well-rounded education with a range of activities and opportunities for exploration.

Our role is to support not only a child's overall development, but also foster a love of learning!

Extra-curricular activities

Our tuition fee encompasses not only academic instruction but also a range of extracurricular and enrichment activities, alleviating any concerns about additional fees.

Throughout the day, we integrate yoga, dance, music and various other activities. We believe in providing a well-rounded early years education that fosters academic learning, physical development, and the acquisition of extracurricular skills to complement growth in all areas.

children for a
bright future**

Catering

Enjoy the convenience of a comprehensive meal plan without any extra charges.

We are proud to have a dedicated resident chef responsible for crafting delightful meals exclusively for our children. All children come together during mealtime to enjoy wholesome and nutritious dishes meticulously prepared in our state-of-the-art kitchen, ensuring freshness every day. Our comprehensive catering plan is seamlessly integrated into the enrolment schedule.

"Since my daughter started studying at Maple Bear we notice a great development in her learning, especially regarding language. She's so happy at school"

Maple Bear Turkey Parent

Our kindergarten

Being a global franchise means that we take our quality and standards very seriously. All aspects of the school's design, safety, and operations are carefully determined and governed through a quality assurance system that is run monthly, quarterly, and annually.

The classroom design, size, furniture height, books, toys and resources, all are specially considered and selected with advice and guidance from the Maple Bear academic experts.

At Maple Bear Astana we provide our students with a nurturing and inspiring environment with lots of opportunities for play, discovery and exploration.

We are partner to parents

The parents are the child's first teacher. At Maple Bear we are partners in this important role of the education of your child.

Our philosophy on early years education centers on building an engaged community around the classroom. We prioritize daily communication between parents and the teachers for each age group, both round the clock through a mobile app as well as through ample opportunity for face-to-face time.

Together we will ensure that your child receives the best bilingual education in the world in a warm, stimulating, safe and secure environment.

"I don't know where to start! Maple bear team- you rock in each and every way. Sharing with you how much my son is in love with his school makes me the happiest mom ever. Knowing he loves to wake up every morning to learn new things and sing new songs and try new experiments"
